### Emergency Blue Light Call Stations

A 9-1-1 24-hour, button activated, emergency telephone system will put you in contact with a police dispatcher for any emergency need. There are 116 call stations located throughout the CSUN campus, including residential housing. Four of the stations are yellow in color, these are TTY call boxes designed for the deaf and hard of hearing community. They are equipped with a small keyboard that enables the caller to type messages directly to University Police Dispatch. The police dispatcher can send a message to the caller by either typing or using a computer to choose pre-selected emergency responses.
